WOMEN, INFANTS & CHILDREN NUTRITION PROGRAM  
DELAWARE - MORROW - UNION COUNTIES

### A WIC Peer Helper Can Give You:

- Tips for how to breastfeed comfortably and discreetly, even in public;
- Ways you can stay close to your baby through breastfeeding after you return to work or school;
  - Ideas for getting support from your family and friends;
  - Ways to get a good start with breastfeeding;
- Secrets for making plenty of breastmilk for your baby; and
  - Help with breastfeeding concerns.

A peer helper is a WIC mother just like you, who lives in your community and has breastfed her own baby. She has been carefully selected by WIC to help you to meet your goals for feeding your baby. She is a friendly voice when you may be feeling a little unsure.
