

Yard Waste

Separated yard waste has been banned from Ohio landfills since the 1980s. There are more opportunities to recycle yard waste than ever before. Some communities offer yard waste recycling at the curb. Open burning of yard waste is often prohibited or requires a permit.

Please visit the Ohio Environmental Protection Agency's website.

Below are facilities licensed or registered with the Ohio Environmental Protection Agency that accept yard waste:

Mulch 1st - 9821 E. State Route 37, Sunbury, 43074; 740-965-6482. Free yard waste drop off to residents living in the 43074 zip code.

Ohio Mulch - 1748 US Rt 42 North, Delaware, 43015; 740-363-8496.
