Minutes Approval

Process Updates

Mobilizing for Action Through Planning and Partnerships (MAPP)

Community Health Assessment

Community Health Assessment

- Meeting #1
 - Review process, methods, timeline
- Meeting #2
 - All-day question selection
- Meeting #3 (February 2018)
 - Review rough draft of report; plan community event
- **Community Event (Spring 2018)**
 - Release of the data

Data Release

- CDC's Behavioral Risk Factor Surveillance Survey ✓
 - Ages 19 and over
- Youth Risk Behavior Surveillance Survey ✓
 - Ages 12 to 18
- National Survey of Children's Health ✓
 - Ages 0 to 11

Community Health Improvement Planning

Action Planning (Series of 4 meetings):

- Choose Priorities
- Resource Assessment
- Gap Analysis
- Best Practices Review

Action Planning:

- Complete Additional MAPP Assessments:
 1. Community Themes & Strengths Assessment (CTSA)
 2. Local Public Health System Assessment (LPHSA)
 3. Forces of Change Assessment (FOCA)

Next Steps:

- Think ahead to Priority Setting – Identify agency representative to cast “vote”
- Key Stakeholders -Who is missing that needs to be with us to set priorities & develop the plan?
- There will be homework as assigned!

Next Steps cont.:

- Upon completion of skeleton plan, other stakeholders will be added.
- Action Steps will be identified – representatives will need authority to:
 - a. commit resources, or
 - b. explain and take back to agency to seek commitment
- **Look for a Partnership survey in near future!**
