

SPRING BREAK TRAVEL TIPS

Stay up-to-date on CDC's novel coronavirus (COVID-19) travel advisories & tips, especially if traveling abroad

Practice frequent and thorough handwashing (20 seconds, soap & warm water), cover coughs & sneezes, avoid touching eyes, nose & mouth

There are currently no travel advisories for any U.S. states

UPON RETURN

Take a self-check of your health, monitor for fever, cough and other respiratory symptoms

Stay home from school/work if sick. Stay home for at least 24 hours after fever breaks

If you traveled abroad to a Watch Level 3 or 2 area, call your local health department to get information to ensure your health

If you traveled within the U.S., there is currently no need to let your local health department know
