2019-2022 COMMUNITY HEALTH IMPROVEMENT PLAN (CHIP)

MENTAL HEALTH
93 community health providers were trained on the SBIRT model (Screening Brief Intervention & Referral to Treatment) and applied new practices within five locations to help identify individuals who are at risk.

CHRONIC DISEASE
Community health partners, including Grace Clinic, OhioHealth Grady, SourcePoint and YMCA started work on better identifying residents who are prediabetic using tools from the American Diabetes Association.

CROSS-CUTTING FACTORS
• Coordinated community services to address the unique housing needs of residents of all ages.
• Secured funding to support Delaware County Housing Alliance goals.
