

Prevention (CDC) and the Ohio Department of Health (ODH)). This order does not apply to incarcerated individuals. Incarcerated individuals are to follow the guidance of the facility in which they are confined. Individuals whose residences are unsafe or become unsafe, such as victims of domestic violence, are permitted and urged to leave their home and stay at a safe alternative location. For purposes of this Order, homes or residences include hotels, motels, shared rental units, shelters, and similar facilities.

4. **Prohibited activities.** All public and private gatherings of any number of people occurring outside a single household and connected property, or living unit and connected property are prohibited, except for the limited purposes permitted by this Order. Any gathering of more than ten people is prohibited unless exempted by this Order. This is in accordance with President Trump's coronavirus guidelines issued March 16, 2020. Nothing in this Order prohibits the gathering of members of a household, family or residence. This Section does not apply to weddings and funerals, although wedding receptions are subject to the ten-person limitation. This Section does not apply to religious facilities, entities and groups and religious gatherings. This Section does not apply to First Amendment protected speech, including petition or referendum circulators and any activity by the Media, which includes newspapers, television, radio and other media services.
5. **Prohibited and permitted travel.** People riding on public transit must comply with Social Distancing Requirements to the greatest extent feasible. This Order allows travel into or out of the State including travel that originates and ends outside of the state. However, persons entering the State with the intent to stay are asked to self-quarantine for fourteen days unless they are doing so for critical infrastructure or healthcare workforce purposes. For purposes of clarity this does not apply to persons who as part of their normal life live in one state and work or deliver services in another state. Persons who have tested positive for COVID-19, are presumptively diagnosed with COVID-19 or are exhibiting the symptoms identified in the screening guidance available from the U.S. Centers for Disease Control and Prevention and the Ohio Department of Health shall not enter the State, unless they are doing so under medical orders for the purposes of medical care, are being transported by Emergency Medical Services (EMS), are driving or being driven directly to a medical provider for purposes of initial care, or are a permanent resident of the State.
6. **Elderly people and those who are vulnerable as a result of illness should take additional precautions.** People at high risk of severe illness from COVID-19, including elderly people and those who are sick, are urged to stay in their residence to the extent possible except as necessary to seek medical care. According to CDC, those at high-risk for severe illness from COVID-19 include people who are sixty-five years or older and people of all ages with underlying medical conditions, particularly if not well controlled, including:
  - a. People with chronic lung disease or moderate to severe asthma;
  - b. People who have serious heart conditions;
  - c. People who are immune compromised;
  - d. People with severe obesity (body mass index [BMI] of 40 or higher);
  - e. People with diabetes;
  - f. People with chronic kidney disease undergoing dialysis; and
  - g. People with liver disease.
7. **Businesses covered by this Order.** For the purposes of this Order, covered businesses include any for-profit, non-profit, educational entities, or governmental entities (other than federal)
