

SAFETY STEPS FOR VISITING WITH FAMILY & FRIENDS

ELIMINATE VISITS TO MULTIPLE HOUSEHOLDS ON A SINGLE DAY TO AVOID POSSIBLE SPREAD OR EXPOSURE TO COVID-19

STAY AT LEAST 6 FEET FROM OTHERS AT ALL TIMES. DO NOT GO INTO A CROWDED AREA

LIMIT INDOOR TIME TO THE MINIMUM NECESSARY IF VISITING A DIFFERENT HOUSEHOLD

RESIST THE URGE TO PHYSICALLY EMBRACE LOVED ONES. CONSIDER ALTERNATE WAYS TO GREET, INCLUDING WAVING AND "AIR HIGH-FIVES."

PRACTICE GOOD HAND-WASHING HYGIENE, ESPECIALLY AFTER USING RESTROOM, BEFORE EATING AND AFTER BLOWING YOUR NOSE, COUGHING OR SNEEZING

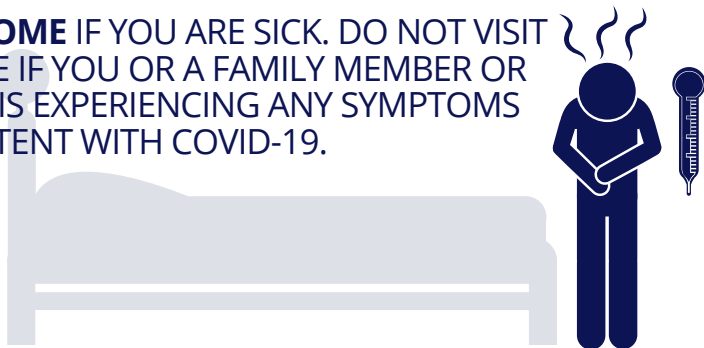

BRING HAND SANITIZER WITH AT LEAST 60% ALCOHOL TO USE IF SOAP AND WATER ARE NOT AVAILABLE

DO NOT USE SHARED UTENSILS OR SERVE FOOD BUFFET-STYLE

STAY HOME IF YOU ARE SICK. DO NOT VISIT ANYONE IF YOU OR A FAMILY MEMBER OR FRIEND IS EXPERIENCING ANY SYMPTOMS CONSISTENT WITH COVID-19.

WEAR A MASK IF YOU ARE PHYSICALLY ABLE TO.
