SCHOOL DISTRICT DATA UNAVAILABLE THIS WEEK

OHIO – Novel Coronavirus Health Provider Visits (by Facility)

The graph above illustrates the number of novel coronavirus-related visits by all provider types across the state of Ohio. This is a newly created surveillance activity and therefore not all facilities may be using this classifier.

Delaware County, OH –Hospital/Urgent Care Visits for Fever and Cough (by Facility)

The graph above illustrates number of recorded visits to hospitals and urgent cares for 'COVID-19-like' symptoms in Delaware County, Ohio. Some of the recorded visits from the beginning of the year could have been due to influenza season.

All data provided in this report is preliminary and subject to change as addition information is obtained. Maps are based on validated addresses. Potential reasons for an invalid address is a PO Box or a road too new to be recorded on GIS software.
